FROM THE DEFINITION OF RESEARCH INITIATIVES TO THE MONITORING OF FUNDED RESEARCH: THE TELETHON RESEARCH TEAM AT A GLANCE

Battaglia M.^[1], Ambrosini A.^[2], Zatti A.^[2], Rizzi E.^{*[2]}, Bruno E.^[2]

^[1]Fondazione Telethon - Head of Research ~ Milano ~ Italy, ^[2]Fondazione Telethon, Research ~ Milano ~ Italy

The Telethon Research Team is a dedicated unit that contributes to Telethon mission (i.e., fostering research leading to a cure for rare genetic diseases). The Team schedules and designs funding initiatives - in line with Telethon scientific strategic plan - contributes to the selection of research initiatives, and monitor research outputs. Final objective is to catalyse the best science towards patients' benefit.
